

# SAFETY AWARD CELEBRATION

Independent industrial contractors who perform work at the Three Rivers Manufacturers' Association (TRMA)-member manufacturing plants were recognized for excellence in safety at the annual awards dinner held April 5<sup>th</sup>. Over 40 contractors received awards for their high safety performance in 2016. Contractors recorded up to ten times fewer job-site injuries at TRMA member plants compared to other industrial sectors as measured by the Occupational Safety and Health Administration (OSHA).

“Our contractors have a record of excellence”, said Brian Angwin, TRMA board chairman and LyondellBasell’s Morris Plant site manager. “They have demonstrated a high level of commitment to safety making sure everyone returns home safely at the end of the day. We could not have accomplished these results without your support and dedication and we celebrate our partnership this evening.”

One contractor was recognized with the Platinum Award for leadership in safety at TRMA member plants. And five manufacturers were recognized with the Partnership Award for excellence in total worksite safety.

Established in 1933, TRMA is an organization that serves the needs of industry in Will and Grundy Counties.
