

Three Rivers Manufacturers' Association

A PROGRAM OF THE THREE RIVERS MANUFACTURERS' ASSOCIATION

ENVIRONMENTAL DIVISION

New OSHA Standards for Silica & Beryllium

Date: Tuesday, January 30, 2018
Place: Three Rivers Safety Center
1615 W. Jefferson Street, Joliet
(1 block east of Larkin on Jefferson Street)

Time: Noon to 1:30 p.m.

Cost: \$35 for TRMA members
\$49 for non-members
(Includes lunch)

Purpose: To provide a review of the new construction standards

Who Should Attend? Owners, operators, plant managers, production managers, health & safety managers, environmental managers, engineers, POTWs and environmental professionals

Agenda: OSHA recently promulgated new Crystalline Silica and Beryllium standards. There are important new industrial hygiene and exposure control planning requirements for potentially impacted manufacturers and contractors. Regulated tasks include:

- Abrasive blasting
- Rock-crushing
- Jackhammering and impact drilling
- Underground construction work
- Drywall finishing
- Tuck-pointing and grinding
- Beryllium metal and ceramic production
- Non-ferrous foundries
- Fabrication of beryllium alloy products

Presenter: Scott K. Wilson, MS, CIH, CSP,
CHMM / Principal
Civil & Environmental Consultants
