Three Rivers Manufacturers' Association
A PROGRAM OF THE THREE RIVERS MANUFACTURERS' ASSOCIATION

LADCO Update: Air Quality Research & Planning Activities

Date: Thursday, March 22, 2018
Place: Three Rivers Safety Center
 1615 W. Jefferson Street, Joliet
 (1 block east of Larkin on Jefferson Street)

Time: Noon to 1:30 p.m.

Cost: \$35 for TRMA members
 \$49 for non-members
 (Includes lunch)

Purpose: To provide an update on regional air quality issues that currently confront the industry.

Who Should Attend? Owners, operators, plant managers, production managers, environmental managers, engineers and environmental professionals.

Agenda:

- LADCO Staffing Update
- Update on the Lake Michigan Ozone Study
- Recent Observed Ozone and PM Air Quality Trends in the LADCO Region
- Regional Haze Trends and Planning for the next round of SIPs
- Ozone Designations: 2008 and 2015 NAAQS
- Emissions Inventory Collaborative
- LADCO's plans for 2018 (so far)
- Q & A

Presenter: Zac Adelman

Zac Adelman is the new Executive Director of the Lake Michigan Air Directors Consortium - appointed in September 2017. Before joining LADCO, he worked for 15 years at the University of North Carolina Institute of the Environment as a principal investigator and senior emissions and air quality modeler, leading regulatory and research projects to develop and apply software systems for studying ground level ozone and particulates. Zac has an M.S. degree and a B.S. public health degree from the UNC Dept of Environmental Sciences and Engineering.
