

Texting Can Wait Because It Might Be Too Late.

- Every time you text and drive you're practically going blind for 5 seconds and putting you or whoever else is in the vehicle at risk.
- 24% of fatal accidents with one or more drivers aged 30 to 39 involved cell phone use.
- 22% of fatal accidents with one or more drivers under the age of 20 involved cell phone use.
- 77 percent of young adults are very or somewhat confident that they can safely text while driving.
