

Electronic Device Policy

Classroom Policy: Using cell phones and other electronic devices that could be used to photograph or communicate data is not allowed in class room.

Computer Lab Policy: The computer lab strictly enforces no electronic device usage in the computer lab. We request that all electronic devices be turned off and stored out of sight.

Examples of electronic devices are including but not limited to:

- Cell Phones
- Audio Players/Recorders
- Smart Watches
- Tablets & Laptops
- Cameras or any other Photographic Equipment
