

Three Rivers Training Center Re-Take Policy

COURSE CODE	RE-TAKE POLICY
Basic Orientation Plus (28BOP)	70% = Pass Any trainee failing the program may retake the program the next day or at a later date and receive a reciprocal badge if the trainee passes the program.
Basic Orientation Plus Refresher (28BOPR)	70% = Pass Any trainee that fails the Basic Orientation Plus-Refresher will be required to take the complete Basic Orientation Plus.
All Computer Based Site-Specific Training (CBT)	80% = Pass The same day "second chance" is built into the CBT. When a student misses a question during the CBT, they are taken back to the area of the CBT which covered that topic for remediation. They are then given a second chance at the same question. If they miss the question the second time, the computer tells them that they missed and moves ahead. The final CBT score is based on the number of questions asked. <80% = The company/union hall may register the student for the next available CBT session.
