

SAFETY!

Safety is extremely important. Making sure you taking the correct precautions can save YOUR LIFE!

You've made it to the top! Because we wore our helmet, we were ok! Make sure to always be safe when doing any activity!

When driving look out for pedestrians, and NEVER text when driving.

Always look both ways, when on roads.

Always wear a helmet while riding a bike, to prevent any injuries.

Climb The mountain to safety! First put on your helmet!
