

65th Annual Golf Outing

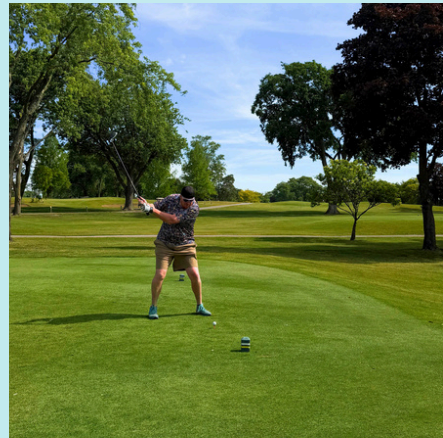

JUNE 4TH, 2026

TRMA's 65th Annual Golf Outing teed off in style on June 4th at Silver Lake Country Club with a special theme worthy of the occasion—"Groovy on the Green." Members, sponsors, and guests came together to celebrate 65 years of golfing tradition, networking, and community support while enjoying a day filled with fun, friendly competition, and a few far-out surprises.

With beautiful weather and a full field of golfers, this year's outing blended beloved traditions with creative new twists inspired by the event's anniversary celebration.

The Hit-It-and-Win-It Putting Contest once again provided plenty of laughs and excitement as golfers tested their putting skills for a chance to win premium prizes.

The longtime Yellow Ball Challenge received a colorful makeover as the new Tye-Dye Ball Contest. Teams carefully protected their brightly colored ball throughout the round, hoping to earn a chance at the prize drawing and continue one of the outing's most popular traditions.

Aerial Crane Drop

Benefiting Three Rivers Education Program

One of the most anticipated moments of the day was the annual STEM Scholarship Ball Drop, sponsored by Stevenson Crane. This year, the fundraiser featured an exciting new addition—the Golden Bundle. Participants who purchased a Golden Bundle received a special golden ball entered into the drop along with additional opportunities to support the scholarship fund.

The excitement reached a fever pitch when the impossible happened: the winning golden ball rolled directly into the hole, earning its owner the \$1,000 grand prize along with the special Golden Bundle bonus prize. The crowd erupted as golfers witnessed a truly memorable moment in outing history.

More importantly, the enhanced Ball Drop fundraiser generated thousands of dollars to support TRMA's new STEM Scholarship Program. The scholarship initiative will help local high school students pursue educational pathways leading to careers in science, technology, engineering, and mathematics—helping build the next generation workforce that will power our region's manufacturing and industrial community.

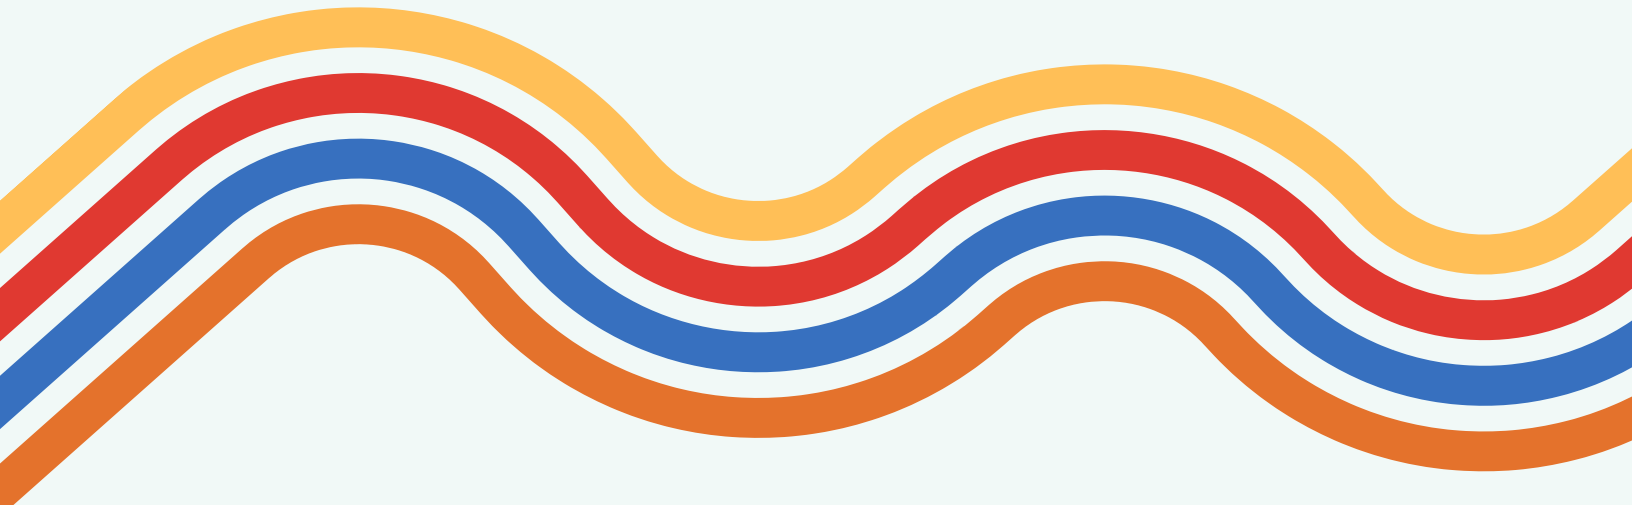

Thank You!

The day concluded with a buffet dinner, awards presentation, and recognition of the many sponsors and volunteers whose support made the event possible. As we celebrated 65 years of golf outing tradition, we were reminded that the event's greatest impact extends far beyond the fairways. Through the generosity of our members and partners, TRMA continues to invest in the future workforce while strengthening the relationships that make our industry community so successful.

Thank you to everyone who participated, sponsored, volunteered, and contributed to this year's outing. Your support helped make the 65th Annual Golf Outing one of the most memorable—and meaningful—in TRMA history.

We look forward to seeing you next year as this proud tradition continues.

THANK YOU Sponsors
